

Christine Noyes Jeanine Noyes Christmas

“Noyes sings like an angel.”

Michael Coren, CFRB, Toronto, Ontario

“*He’s Here* is fantastic, inspiring, beautiful, joyful, radiant. But I knew it would be. Jeanine is an artist to be treasured, listened to over and over again and, whenever she is performing live, she should not be missed.”

Murray Watts, Screenwriter, UK, “The Miracle Maker”

“Ms. Noyes’ arrangements respect the Christmas songs they render in the sense that they acknowledge them as songs of wonder and praise in which the music is to set off and deepen the experience of the words... adding musical grit via folk, jazz and blues layerings. One of the numbers, her musical palindrome, ‘You Are All Things Beautiful’, is heart-poundingly moving, showcasing Ms. Noyes’ compositional sophistication as well as the giftedness of her musical supporting cast. What fun!”
